BY THE contrast of instrumental timbre, the contention of rhythm, and the use of opposing dynamic effects the spirit and brilliance of a musical score are revealed.

But this contrast which so enriches our musical masterpieces is the target for attack in prosthetic dentistry. Success in dental research is measured by reduced contrast in the development of denture materials to blend unobtrusively in the mouth. In this respect, LUCITONE has gone beyond hoped-for-goals.

Its soft, translucent coloring "borrows" life from the tissue it conceals. Against the natural gums it is nearly undetectable because it is indistinguishable. This "lifelike" identity is sensed by the wearer. It results in restored self-confidence.

Contributing to this feeling of confidence is the "neutral" character of LUCITONE. It is without taste and odor. It feels fresh. The mouth does not have to adapt LUCITONE through warmth or moisture. LUCITONE is at once a part of its environment.

Disability Insurance Campaign Under Way

Group Program Offers Broad Coverage at Greatly Reduced Cost

Industrial workers have had the advantage of low cost group insurance for many years and now it is available to professional men on a scale of higher and broader benefits commensurate with their economic needs.

The members of the Chicago Dental Society now have the opportunity to secure broad accident and sickness benefits at a greatly reduced premium by reason of the decreased expense of handling the insurance on a group basis. It is not a high pressure scheme to sell insurance.

Members should read the pamphlet mailed to them on September 5 and complete the application enclosed, thereby assuring themselves of securing broad accident and sickness benefits at the lowest possible cost. Already the response of the members in the short time which has elapsed has been most gratifying but, of course, there is a long way to go to reach the required minimum of fifty per cent participation.

Some members will have personal situations requiring further explanation or discussion before application is made. Provisions have been made for this in one of two ways:

1. In cases of questions which can adequately be answered by telephone, call Mr. Huntington or Mr. Homer, Webster 7410, and they will be ready to answer them.

2. In those cases requiring a personal discussion of the plan or a comparison with existing policies, the Standard Accident Insurance Company of Detroit, Michigan, has arranged to have available for three weeks, commencing September 24, a staff of accident and health specialists, from its branch offices throughout the country, to render members the ultimate in service. These men are not solicitors. They will be here to service Chicago Dental Society members only as regards this plan and will not attempt to sell additional insurance of any form.

If any member desires to have one of these specialists call on him, he should complete the enclosed appointment card at once.

This will eliminate the necessity of a phone call for the purpose of arranging an interview. Both the dentist's time and that of the insurance specialist is valuable. Members are urged to see him as soon as possible after he arrives and to have available policies at present in force which they would like to discuss with him. Except in unusual cases a few minutes' interview should suffice.

The large membership of the Chicago Dental Society will require considerable time and work on the part of these men in order to complete a successful coverage—ample evidence of the need for fullest cooperation.

NEWS OF THE BRANCHES

WEST SIDE

As the vacation season draws to a close, roll call indicates that the majority of members are back in their offices with new gusto, pep, sun tans, fish stories, pleasant memories and quieted nerves, ready to tackle their daily work. One glance at the full appointment book snaps them out of their vacation lethargy and within a few hours they are back in the swing of office routine. . . . Plans for our branch meetings are about completed. They will be held at the Midwest Athletic Club on the following dates: October 9, November 13, December 11, 1945 and January 8, March 12, and April 19, 1946. Mark the above dates on your appointment book and plan to attend . . . Frank Kropik, program chairman, promises an excellent and prominent essayist to start the ball rolling on October 9. The speaker and the subject will be announced in the next issue. . . . Don't forget to attend the annual outing of the Chicago Dental Society, Wednesday, September 19, at Westward Ho Country Club. For reservations call A. J. Sells, Cicero 2962. . . . Lt. Commander M. D. Traxler is still at his post at Great Lakes. . . . Capt. Irwin J. Altheim, who was attached to the Cook County Hospital Unit, is back in Chicago. . . . Ed Rus spent his vacation at Pickerel Lake, Wisconsin, where he caught many fish but threw them back because he thought they were undersized. Much to his surprise and disappointment he later discovered that they were one foot over the size limit. Lucky fish! . . . Ernest Brogmus, having decided to learn first hand about Lincoln's life and work, spent his vacation visiting Lincoln's tomb and other historical sites at Springfield. . . . Once every five years Arthur C. Meyer attends a reunion of the "Old Boys" and "Old Girls" club at Gillman, Illinois. He

says he "tripped the light fantastic" with the oldest gal of Gillman and much to his surprise found her to be quite a stepper. . . . Art Tessler and Al Sells returned from Green Bay where they slept, ate and rested. No fishing this time. . . . J. S. Vission drove to Minneapolis to bring his family home. . . . Another member, Nathan Potkin, has survived the "plight of fatherhood" and was rewarded with a son, Steven Garth, 6 lbs., 9 $\frac{1}{2}$ oz., on August 22 at the Presbyterian Hospital. . . . Hope you all had a pleasant summer and that we will see you at Westward Ho on the 19th.—*Maurice C. Berman, Branch Correspondent.*

WEST SUBURBAN

Maj. L. O. Wistain is out of service and back in practice. . . . Les Braun and family are vacationing at Twin Lakes. . . . William F. Franta has had several vacations this summer—first by boat to historic Mackinac Island and later to his farm at Hayward, Wisconsin, where he tried his hand at milking. Bill reports that the Illinois State Farm Journal shows a slight decrease in the horse population since 1944. Has your pot-roast tasted different lately? . . . John Ott says the fishing has been fine at Mill Lake, Michigan. . . . Maj. Irwin C. Slaby is in on a three day furlough from Camp Hood, Texas, where he gets a little time off to play baseball. He's walking with a limp which he says he got sliding into 3rd base. . . . A local newspaper reports that Lt. Harold Ackerman is studying Japanese on the coast. . . . Maxwell B. Cohan has moved his office from Cicero to Berwyn. . . . I just returned from Bair Lake, Jones, Michigan, after a three-day celebration at my brother-in-law's silver wedding anniversary.—*Edward F. Kritzke, Assistant Branch Correspondent.*

ENGLEWOOD

Labor day afternoon, the telephone rang: "Byrne, this is Van Dam, I'm on a vacation, doing some work around home, would you send in the news if I gave you the items?" "Sure thing, Van." . . . So here it is—mostly Van's: A mail clerk could have thrown mail to G. E. Johnson at Starved Rock; to H. C. Buttery and wife in Toronto for two weeks and then to McHenry for some week ends; to Ernest Goldhorn and Harold Asher up in pollen free Minocqua; to A. J. Pearce in Iowa and Wisconsin (Becker's Resort); to Louis Ahner and Carl Berquist in Michigan; to Ken Poust and John Woodlock all summer in Michigan; to John Lace at Flint Lake and in Ohio; to Ed Werre at Algonquin and to T. V. Malmberg in Wisconsin. . . . Louis Sasso and W. D. Wheeler figured out an easy way to save time, gas and rubber and joined Olympia Fields Country Club. . . . Congratulations to West Side's Maurice Berman on the little ditty and on little Diana and Mamma, too. . . . Harold Wimp was recently awarded the Bronze Star for meritorious action in the battle of Leyte! Closest I've ever been to a hero! . . . Our sympathy is extended to Joe McCarthy in the recent loss of his father and to Harold Clinite in the recent loss of his mother. . . . If you missed Dr. Gillis on "Denture Construction," at the September 11 meeting come out on October 9 and get a résumé, plus. . . . Let's see if Barich can top this one: I just heard by the grapevine of a classmate of mine who grosses twenty-five thousand and never has a dry socket!—*Webster Byrne, Assistant Branch Correspondent.*

KENWOOD-HYDE PARK

Wanted: All Kenwood members present for the opening meeting Tuesday, October 2. The program committee starts the year with the outstanding speaker of the season, Dr. Emil Aison. Dr. Aison, recently discharged from the service, is going to tell of his personal

experiences in connection with the war. This is not to be a clinical program but his version of the happenings in the invasion of Europe. A notification of the meeting place will be sent through the mail as no accommodations are available as this announcement goes to press.

A peeping tom reports Larry Johnson and Chris Davidson were seen partaking of liquid refreshment at Hotinger's Beer Garden—with their spouses. . . . Bob Pinkerton overjoyed at the recent lifting of the gas ban—more trips to his Lake Geneva villa. . . . A few years ago the correspondent of this column tried to find the charm Michigan held for John McBride. No one ever found out. However, Willard Johnson seems to have found the secret now as he is outdoing John's record. . . . Kenwood loses one of its star members—Grover Schubert. He plans to move to Woodstock, Illinois, where his specialty will be to take the rock out of plates. Here's hoping Elastic Plastic Schubert will find his way to the Kenwood meetings. . . . Kenwood was represented at the Jap treaty signing in the person of Hub Mitchell, who went ashore to put teeth in the bill. . . . Tom Humble spent his month's vacation taking care of his Victory Garden—to date he has no produce to sell. . . . Another down to earth farmer is "Tommy" Thompson, who has gone to North Dakota to take care of his potato crop. He plans to grow more potatoes to overcome the slogan "All that meat and no potatoes."—*Sylvester W. Cotter, Branch Correspondent.*

NORTH SIDE

With vacations behind most of us, and V-J day too, we're ready to buckle down again and look ahead to a busy and interesting fall and winter. Don't forget that major event—the annual outing of the Chicago Dental Society, September 19. . . . Then our first meeting is scheduled for Monday, October 1. Program Chairman Manley Elliott has planned a fine program. Mayor Kelly has agreed to be the after dinner speaker, if it is at

all possible. Charles H. Kendall of Milwaukee is to be the scientific speaker. We all know Charles' reputation as a fine speaker and I am sure he will present something of interest to every one in attendance. Manley wants me to state emphatically that the dinner and the meeting will start on time. The dinner hour is seven (7) sharp. . . . Mayor Kelly's talk will be at 7:45. Business meeting will start at 8 o'clock. Scientific program follows immediately. If you have not attended the dinners regularly you should call Morris Altus, Longbeach 4694, attendance chairman, or Manley Elliot, Longbeach 2472, program chairman, for reservations. We'll see you at the meeting. . . . If you haven't already checked the following dates in your appointment books for future meetings do so now. They are as follows: Monday, December 3; Saturday, January 19, Ladies Night. Monday, February 4; Monday, April 1. . . . Dan Kreger and family spent two weeks in the Minocqua area of Wisconsin. Dan's neighbor and fellow luncher, Joel Arnold, warns us to be ready to discount one-half of the tall fishing tales Dan will bring back. . . . A card from Orville C. Larsen said he and his family were enjoying themselves very much at Eagle River, Wisconsin. . . . Warren R. Schram is forsaking his duties the 19th for some duck hunting in and around Frazee, Minnesota. . . . Sidney Asher bent and coiled some orthodontic wire to lure the big ones in the lakes of Flambeau, Wisconsin. . . . L. S. Chan was vacationing at Norrie, Wisconsin, from August 25 to September 8. . . . Walter and Mrs. Goldsmith left for Appleton, Wisconsin, to visit Mrs. Goldsmith's sister. From there they are going on to Eagle River, Wisconsin, for some angling. . . . Harold Blohm and family are vacationing in northern Wisconsin. . . . Kenneth Penhale is getting that long needed rest on his farm in Canada. . . . George Olfson is visiting friends and relatives in the State of Oregon. . . . Arthur Hewitt had a fine vacation at Tabor Farm in Michigan. . . . Basil Cupis, Al Boman and O. A. Helmer are

enjoying the fishing at Sister Bay, Wisconsin. . . . Emory Greer spent a few days on his farm in Missouri. . . . Carl Jackson is enjoying his vacation in northern Minnesota. . . . Fred M. Dattelzweig is taking some time from his office to catch up on his golf game. . . . A card from Arnold Liesemer says he really escaped the heat of August at Bow Glacier and Bow Lake near Calgary, Canada. . . . C. Lee Simons posts a card from Boulder Junction, Colorado, where he is resting. Hay fever was his motivation. . . . Robert Pond returned to Wakeman General Hospital, Indianapolis, Indiana, for complete examination. . . . William and Mrs. Meis, Sr., of 2620 Lakeview Ave., visited their son, Capt. W. A. Meis, Jr., who is in the oral surgery department at Truax Field, Madison, Wisconsin. While there they attended the christening of Capt. and Mrs. Meis' first born, William Arnold III—their thirteenth grandchild. . . . Lt. Fred Hardy came down from Great Lakes to have a visit with friends at Northwestern University. . . . That's the news.—*Russell G. Boothe, Branch Correspondent.*

NORTH SUBURBAN

The North Suburban Annual Clinic Day will be held as usual all day Wednesday, November 7, at the Orrington Hotel. By a deft stroke of the pencil at this moment you are assured an informative and enjoyable day. Carl Brasmer is the program chairman and welcomes all suggestions. Participation in branch activities helps everyone by making better programs possible. Have you made that deft stroke in the appropriate place? . . . R. R. Davy, sports chairman, gave us a fine day of golf, a good steak and cash prizes at Techny Fields. J. D. Pett, with a score of 79, was the best golfer. Zenas Shafer had the best low gross. Andrew Furlan of Waukegan was the lucky winner of the door prize. Charlie Cameron, of course, was the best gin rummy player. Honored guests were Bob Humphrey, Joe Zielinski, Frank

Hurlstone, Jack Besser and his son, Lt. Besser. Otto Brasmer gave me the score sheet and all disputes arising concerning the caliber of golf played on August 22 can be objectively settled. A 9, for instance, is recorded by Waldo Urban on the tenth hole. Waldo left shortly after for Newago, Michigan, to bring his daughter, Barbara, home from camp. . . . O. E. Scott and R. L. Wescott both have been vacationing out in the sunshine. Westy and Scotty are the outstanding rivals for the most deeply tanned North Suburbanites. . . . R. R. Davy, E. F. Bommerschein, Zeke Smothers and Bill Murray leave Friday for Trout Lake, Wisconsin. . . . Capt. Bill Heller was awarded the bronze star "for meritorious service in connection with military operations against the enemy at Leyte, Philippine Islands." . . . Roger Huntington is improving steadily but is still a patient at Evanston Hospital. . . . It is with much sorrow that I report the death of Percy Idler.—*Henry Conley, Branch Correspondent.*

NORTHWEST

I have been out of touch with news

sources lately because of an irritating ailment which necessitates an enforced vacation at home. So news is scarce although we suppose that the Labor Day holiday, the first sans gas rationing, found most of our members heading for the open road. . . . It's a grand and glorious feeling to have the war over even though peace brings problems which will be difficult to overcome. Those who did their bit to keep branch activities alive during the past few years are hopeful for bigger and better meetings in the future. . . . President Tom Wright has called another meeting to discuss plans for the coming season. As you probably know, our meetings will be held at the Logan Square Athletic Club with the first one scheduled for early October. Mark Spencer, program chairman, is hard at work planning a top notch opening program. . . . We did hear that Waldo Link had joined the ranks of benedicts on July 28, and that he and his bride had moved into their new home on the Northwest side. . . . Ed Hull, who has been very ill following an operation, is recuperating now and would enjoy visitors at the Lutheran Deaconess Hospital.—*Thad Olechowski, Branch Correspondent.*

THE ONLY POSSIBLE SOLUTION

Busy Dentists know that American Dentistry is reaching an all time high in producing dentistry . . . just as American industry has reached an all time high. But to care for the dental health of the public no more Dentists are available. Thus, because Dentists are not made overnight, *the only possible solution to the problem* is to increase the productive ability of Dentists now in private practice. The Bosworth Plan of Practice Management *helps you* to turn many unproductive hours into productive hours. For complete details, call or write today

HARRY J. BOSWORTH CO., 1315 S. Michigan Ave., Chicago 5, Ill.

Your inquiry regarding details and class dates will be answered promptly.

TRUBYTE *New Hue* 20° POSTERIORS

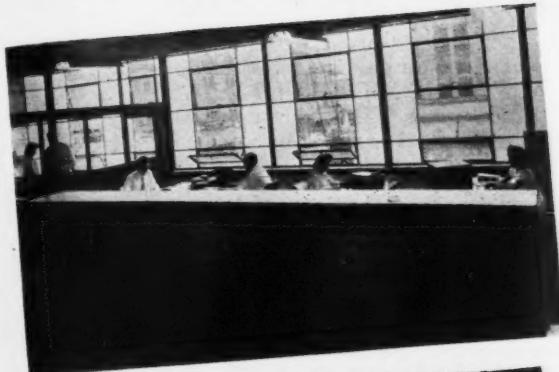

Stabilize dentures during mastication

- These posteriors apply the force used in masticating food in such way as to stabilize both upper and lower dentures in position.
- The occlusal surfaces are so designed that the pressure of closing falls within the borders of both dentures as is shown by the white lines in the drawing.
- The dentures are then held more firmly and effectively in position than would otherwise be possible.

Prescribe
MICROMOLDS
for good function

Austenal **MICROMOLD** Teeth

Completely natural in anatomy, appearance and labial form—that is the justifiable boast of Austenal MICROMOLD Teeth. There is good reason, for natural teeth ONLY were used as models for these fine, faithful reproductions. It is no wonder they function unusually well—just like nature's own.

They have many other advantages too. The new and better Molded Interproximal Retention secures firm anchorage in the denture material with less lingual bulk . . . and a more natural "feel." The improved all-porcelain body permits maximum characterizing of the patient's teeth by use of surface stains. And Austenal teeth have a natural translucency which is the result of their freedom from porosity. Uniform refraction of light rays is permitted, imparting to the teeth the depth and translucency found in normal, healthy, natural teeth.

Austenal MICROMOLD Teeth are a health asset that will please your patients. They give lasting satisfaction and oral comfort.
